SPK Industries Ltd has been supplying quality heated towel rails to the New Zealand Market for over 6 years. All our towel rails comply with AS/NZS 60335.2.43:2005 and have an IP45 rating, a high zoning standard, ensuring your families safety when water is present. Consult your Electrician when choosing a location for your SPK heated towel rail. The Boston Series heated towel rails are made from premium quality 304 stainless steel and carry a 5 year warranty.

49 Sir William ave, East Tamaki, Manukau. Fax: 09-2713722.
