### Rifeng Installer / Producer Statement

For the supply and installation of Rifeng piping systems and components

SPK Industries Ltd confirm that all materials and finished components of the Rifeng piping system are produced under AS 2492, AS 2537 and AS 4176 and fully complies with all requirements of the current AS/NZ performance standards and will, when installed in accordance with the manufacturers installation instructions and the requirements of relevant AS/NZ Standards, meet the durability requirements of the New Zealand Building Code and be covered by the Rifeng 25 year guarantee.

I \_\_\_\_\_ confirm the following:

That I am licensed to undertake /supervise/oversee the installation of specified plumbing works for this project.

That all Rifeng system components I have supplied and installed in this project are genuine Rifeng products.

That all such Rifeng components have been installed and tested correctly in accordance with the Rifeng installation specification as a complete system and the requirements of the relevant AS/NZ standards and will thus meet all performance requirements.

That due to the above, the Rifeng components I installed in this project will meet the durability requirements of the current NZ Building code and carry the Rifeng 25 year guarantee.
